

Super B is a world-class and fast growing producer of unique high-end lithium batteries. Headquartered in The Netherlands with regional organizations in Europe, we supply our batteries to leading OEM's and distributors in the global transport, industrial and energy storage markets.

Super B provides unique starter batteries and these are being used in global leading high performance cars and motorcycles as well as in various industrial applications. Our Intelligent traction and energy batteries enable our customers reliable, independent power supply. They are being used in various applications such as recreational vehicles, energy storage and various vessels.

We have high ambitions in pursuing our goal; to become the leading lithium battery developer and supplier in the world! We are a fast-moving and dynamic company. We continuously seeking for new business opportunities and working hard to expand our production and R&D facilities as well as highly motivated experts to support this unique growth.

A KOOLEN INDUSTRIES COMPANY

HUMAN RESOURCES MANAGER

To support our fast growth and expansion, we are looking for a hands-on Human Resources Manager located in Hengelo. With your strong and pragmatic personality, you develop, manage and facilitate HR. You have a key role in the organization and you are part of the Management Team. You will report to the CEO.

Responsibilities

- Responsible for further development and management of the HR policy and activities (operational, tactical and strategical) which is in line with the company growth and expansion.
- Contributes to the Corporate Vision, and translates it into an HR, People and Culture strategy.
- Advise management and/or employees on internal and external HR matters, developments and trends.
- Coach and inspire the HR-team; follow up on performance and guide where needed.
- Drive the company culture and ensure a positive working environment.
- Ensures legal compliance.

Skills and Attitude:

- **Bachelors' or Masters'** degree in a relevant education, for example Human Resource Management.
- **At least 5 years' experience** in a similar role.
- Experience in an international technical and / or production environment is a plus.
- Proven knowledge of (international) HR laws and regulations.
- Experience with a holding structure and different entities.
- Self-starting and motivated personality.
- Excellent team player, able to coach and motivate colleagues.
- Excellent Dutch and English language skills – written and verbal.
